

Kevin McDermed, Vice President and Chief Financial Officer

Kevin McDermed accepted the position of Chief Financial Officer in 2019 following the retirement of Sr. Vice President, Russ McCort. Kevin retired from Bradken as President of the Engineered Products Division in July, 2018. He previously served as President of the Industrial Products Business Unit for Bradken and Vice President, Treasurer, and Chief Financial Officer for Atchison Casting Corporation.

He graduated from ACCHS in 1978, earned his BSBA from Kansas State University in 1982, and his MBA from Washburn University in 1984.

Kevin has served as an Exchange Bank & Trust Board of Director since 2010 and currently serves on the Maur Hill-Mount Academy Board and the Atchison Hospital Foundation Board. Exchange Bank CEO, Rich Dickson stated, “Kevin brings years of experience and corporate knowledge to our organization. He’ll be a tremendous asset.”

Very much a family man, McDermed enjoys spending time with his wife, Theresa, their three grown children, Lauren Hundley, Jennifer, and Mark. Kevin and Theresa recently welcomed their first grandchild, Reagan Rose Hundley, to their family.
